

### **IN THE SPECIFICATION**

Please insert the following description of Figure 9 after the description of Figure 8 on page 12 of the specification:

Figure 9 shows an end view of a stator packet.

Please insert the following paragraph before the last paragraph on page 15 of the specification:

Fig. 9 shows an end view of a stator packet 5 wherein the contour 9 of end 7 is depicted as recesses and elevations arranged in a chessboard configuration. The counter-contour 8 would have complimentary elevations and recesses to realize a vertically and horizontally acting cogging between the contour 9 and counter-contour 8.
